

FAQs about the Resident Discount Program

How does the Resident Discount Program work?:

Santa Barbara City residents are eligible to receive a 10% discount on designated fees paid for activities, programs and a 20% discount on facility rentals offered through the City's Parks & Recreation Department with a Resident Discount.

How do I qualify?:

You must register as a City resident to receive your Parks and Recreation Resident Discount.

How do I prove that I am a City resident?:

You must present, in person, a current California Department of Motor Vehicles Driver's License or ID Card with a Santa Barbara City street address and zip code of residence. P.O. Boxes are not acceptable. A copy of a recent water, gas or electric bill, property tax bill or cable bill is also acceptable for residence eligibility.

Does each member of my family have to register?:

Families need only to register one person (adult) for the entire family to qualify. All family members should be registered in CLASS. All family members must live at the same address.

Can the Resident Discount be revoked?

A Resident Discount is valid for all family members living at the same household address. The discount will be revoked if the family moves outside of City limits; if the discount is transferred to or used by a non-family member; or if the identity of family members or the residence address has been falsified.

When and where can I get my Resident Discount?

P&R Administrative Offices 620 Laguna Street	8am-6pm, Monday-Thursday 8am-5pm Friday (closed on alternate Fridays)
